Dear Sir

**RE: Solar farm requirements –Expression of Interest**

I am interested in being placed on a database of appropriate businesses that wish to provide goods and/or services to the developers of three solar farms planned for Narrandera Shire. I understand these developments are being undertaken by RES, Esco Pacific and Reach Solar.

Please note, as indicated in the chart below, those goods/services I am interested in supplying.

I agree that this information can be provided to all three of the solar farm developers as noted above.
