Please Note:

A Sketch Plan must be provided on the back of this form indicating the preferred position of the water meter in relation to property boundaries. Distances from boundaries must be shown. (Note: Sewer boundary inlets are determined by Council and not the landholder.) Water service renewals will be located in the same position as the existing service.

No Guarantee can be given that water or sewer connections will be installed within two weeks of payment of appropriate fees, as other authorities (eg. Telstra, AGL) may need to locate their services to prevent possible damage when such services are being installed.

Conditions of Supply

Supply will be connected subject to Council's conditions contained in the current years Management Plan and as otherwise advised to the owner.

All work must be undertaken in accordance with Australian Standards 3500 National Plumbing & Drainage code and relevant sections of the NSW Local Government Act, 1993.

Particular attention must be given to Backflow Prevention as required by the NSW Code of Practice - Plumbing and Drainage.

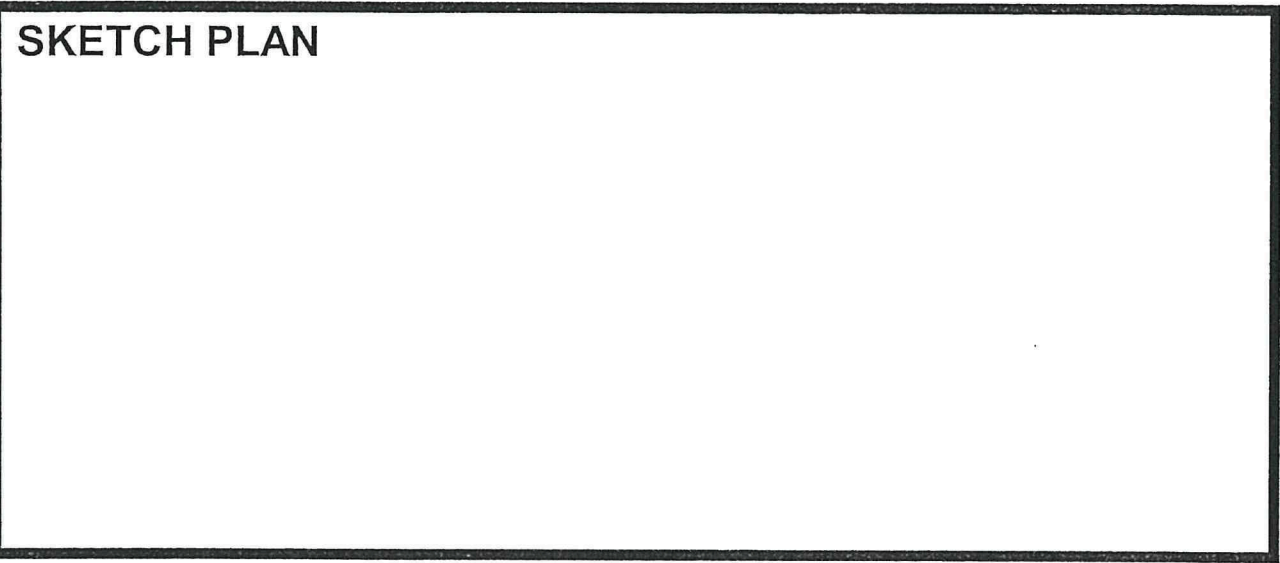

- All connections and size of the water meter is subject to approval by Council. -
