

Request for revision of categorisation of land for rating purposes (Section 535 Local Government Act 1993)

This application relates specifically to the re-categorisation of land (with the exception of farmland) for rating purposes only. This categorisation does not affect the zoning or subdivision potential of this property under Council's Local Environmental Plan.

Name of rateable person/s or agent and contact details (Name/s in full and indicate if owner or agent)	
Assessment number	
Identification and legal description of the land to which this application relates Lot, DP, Section (if applicable)	
Property address	
Is the land vacant? If any buildings or structures are situated on the subject land, describe these (indicate the usage and floor area of each building or structure)	
Details of present and recent uses made of the land For example, if the land is used as your principal place of residence but business activities are also carried out, you should indicate the percentage of total land use for each purpose.	
Current category or subcategory of the subject land	
Proposed category or subcategory of the subject land	
Reasons why the proposed category is more appropriate	

<p>Do you wish to provide additional information or documentation to assist your application?</p>
